Junior Development Program

CAMP ACTIVITIES

Our popular full and half day tennis camps have provided a great experience for boys and girls at all levels of tennis. Our program is designed to promote personal development and tennis skills and, of course, to have fun!

On court campers are divided according to age and playing level.

Morning: Focus on warm-ups, strokes, drills, footwork, and games

Afternoon: Organized activities such as basketball, soccer, swimming, and leisurely games

Last Hour of the Day: Tennis matches, or skill building games
