Creating an account

Only register as a **Family** if you are *2 adults and one or more children*. The family account is only to help you pay less than the individual memberships.

If the sum of the individual memberships is less than \$365 **DO NOT** register as a family.

Each member will have their own account. Even when registering a family. Don't worry if your dependant doesn't have an email. You can use the same email address for more than one member.

However, the verification email will be addressed to **Hi "First name"** and it may contain your newly assigned username and temporary password if you signed up at the club or, a link you have to click in order to continue with the creation of your account if you register directly online.

Please note that the link in the email is specific/unique for each user and linked to the first name of the member, in the greeting:

Hi **Test**

You're almost ready to sign into the Stoney Creek Tennis Club online booking system, we just need to confirm that this is a valid email address.

[Click here to verify your email address](#)

If you didn't create this account, then please forward this message to support@gigasports.com

As always, if you don't receive the confirmation email check your spam folder.

If it is nowhere to be found or you may have mistyped it and you can email or call us to change or correct it.

The email will come from Gigasports mailroom@gigasports.biz

Please do not respond to that email as it is not monitored.

Once you click the confirmation link in the email you will be able to finish creating your account
